

Resume

Name: Chinmay S. Lute

E Mail: chinmaylute2003@gmail.com

Contact: + 91 9028914170

Skill Set Technical

- Proficient in **HTML**, **CSS**, **JavaScript**, and **Bootstrap**, with experience in creating responsive and user-friendly web pages.
- Skilled in using **Node.js** and **Express.js** to build backend applications and **RESTful APIs**, with experience in integrating them with front-end frameworks.
- Experience in using **MongoDB** and **Mongoose** to perform database operations and create scalable and efficient applications.
- Familiar with popular machine learning algorithms and libraries, such as **Scikit-learn** and **Tensorflow**, with experience in applying them to real-world problems.
- Knowledgeable in **C++** and **Python** programming languages, with experience in creating applications and projects such as a bus management system and a cricket game.
- Skilled in using **Git** and **GitHub** for version control and collaboration, with experience in managing code repositories and contributing to open-source projects.
- Experience in data preprocessing and cleaning techniques, with knowledge of **SQL** for data analysis and querying.
- Proficient in using **Postman** for testing APIs and ensuring their functionality and reliability.
- I possess proficient skills in **ReactJS**, having successfully developed numerous projects showcasing my expertise in the framework.

Professional Experience

- ☞ Aligned elements of the web pages in desired formats and made websites responsive for all devices.
- ☞ Utilized **POSTMAN tool** for testing and debugging Restful APIs.
- ☞ Executed **MongoDB** queries to perform database testing in MongoDB.
- ☞ Connected frontend and backend using **NodeJS** in web development.
- ☞ Created user-friendly UI for web applications.
- ☞ Utilized **GitHub** for repository management and version control.
- ☞ **Preprocessed data** for machine learning models and performed data analysis.
- ☞ Assisted in building projects like Bus Management System, Cricket Game, and OpenGL Game using C++.
- ☞ Participated in various college coding competitions like **Coding Warriors**, **Codigo 3.0**, and **Webbit**.
- ☞ Experience in making websites responsive and accessible, with knowledge of accessibility guidelines and techniques.
- ☞ Experience in testing custom ROMs for Android developers and providing feedback for improvement.
- ☞ I have hands-on experience working with Sanity CMS, leveraging its capabilities to develop user-friendly backends for React websites.

-
- I completed my Higher Secondary Education (HSC) from Yeshwant Mahavidyalaya, achieving a GPA of 8.23, in the year 2020.
 - I completed my Secondary School Certificate (SSC) from Ramabai Deshmukh Public School in the year 2018.
 - Currently pursuing a B. Tech in Computer Engineering at Pimpri Chinchwad College of Engineering, Pune.
-

- ☞ **Blog Website using NodeJS:** Built a blog website using NodeJS, EJS, and MongoDB. Implemented features like user authentication, commenting system, and pagination.
- ☞ **Beautiful Landing Page using HTML, CSS, and JavaScript:** Designed and developed a landing page with visually appealing elements, animations, and smooth transitions using HTML, CSS, and Javascript.
- ☞ **API based project on Weather Forecast:** Developed an API-based project that displays real-time weather data and forecasts using Restful API, NodeJS, and MongoDB.
- ☞ **Twitter Sentiment Analysis and Word Sense Disambiguation using Machine Learning:** Built a machine learning project that performs sentiment analysis on tweets and word sense disambiguation using Python, NLTK, and scikit-learn.
- ☞ **JavaScript Projects like Simon Game and Dice Game:** Created popular games like Simon Game and Dice Game using vanilla JavaScript, HTML, and CSS.
- ☞ **Portfolio Website:** Designed and developed a responsive portfolio website using ReactJS and Sanity CMS.

Personal Details

Date of Birth : 08 Feb 2003
Permanent Address : Pune
Language known : English, Hindi and Marathi.

Declaration

- I do hereby declare that the above information is true and complete to the Best of my knowledge and belief.

Place: **Pune**
